SECTION I – GENERAL INFORMATION

1. BACKGROUND

The Seminole Tribe of Florida (hereinafter the “Tribe,” or “STOF”) is a federally recognized Indian Tribe organized pursuant to Section 16 of the Indian Reorganization Act of 1934, as amended, 25 U.S.C. §5123. There are six (6) Seminole Indian Reservations in the State of Florida: Big Cypress, Brighton, Hollywood, Immokalee, and Tampa, and Fort Pierce. Tribal Headquarters are located on the Hollywood Reservation in an urban environment in the Greater Fort Lauderdale/Hollywood, Florida area. Satellite offices are located on each of the other reservations or trust land. The Tribe also maintains off-reservation offices in Naples, Fort Pierce, Hollywood, and Miami.

The Tribe provides various governmental services to its members and residents of its reservations similar to those services provided at the municipal or county level. Examples of such services include, but are not limited to, public works, recreation and elder services programs, police, fire, and EMS services. The Tribe also maintains health and dental clinics, an education program, preschools and schools, a museum, two rodeo arenas, etc. In addition to governmental services, the Tribe and the Seminole Tribe of Florida, Inc. (hereinafter “STOFI”) also are engaged in various business activities including real estate, agriculture, tourism, manufacturing, gas station/convenience stores and sales.

2. INSURANCE

See *Exhibit K – Insurance Requirements* for the minimum insurance requirements required through this RFQ and any subsequent contracts. Contractor receiving an award, if any, will be requested to procure and maintain insurance coverage throughout the term of subsequent contracts. The Tribe reserves the right to modify the insurance requirements as required.

3. SEMINOLE TRIBAL MEMBER VENDOR PREFERENCE

The Tribe encourages its Members who own their own business, or who are majority owners of a business, to bid on goods and services through the competitive bidding process.

The Tribe will give preference to qualified business entities certified by the Tribe. “Qualified” shall mean, notwithstanding the above:

A Tribal Member, spouse, child, or business entity who:

- Is actively involved in the business and owns 51% or more of the business;
- Can provide future goods or services at competitive prices;
- Has demonstrated skills and abilities to perform the task to be undertaken in an acceptable manner; and
- Can meet the application, bonding, and licensing requirements.

Tribal Member contractors will receive an additional ten (10) points to their score.

4. VENDOR APPLICATION AND REGISTRATION PROGRAM

The Tribe is engaged in Indian tribal gaming in accordance with the Indian Gaming Regulatory Act and the regulations promulgated by the National Indian Gaming Commission, therefore, the Tribe cannot engage in significant transactions with individuals or business entities whom, due to past or continuing activities, associations, or reputation, might bring discredit to the Tribe and its gaming operations. Thus, the Tribe has adopted a program whereby it reviews significant transactions and the persons or entities involved with those transactions to assure compliance with all applicable laws and regulations relating to gaming.

If not already an approved and registered vendor with the Tribe, the highest scoring vendor(s) will be required to submit a completed and fully executed Vendor Application and Registration Form to the Tribe's Purchasing Department. The highest scoring vendor(s) shall not initiate this process until requested by the Tribe's Purchasing Department.

Upon successful completion of an investigation into the past and current activities, associations, and reputation of the applicant, the Tribe will assign a vendor number and the vendor will be added to its Master Vendor File. The Tribe may not enter into any business transactions with any vendor whose name does not appear on its Master Vendor File.

Should the highest scoring contractor be unresponsive or unable to successfully complete the vendor registration process, the Tribe reserves the right to halt the vendor registration process with the highest scoring contractor and move onto the next highest scoring contractor. Should the next highest scoring contractor be unresponsive or unable to complete the vendor registration process, the Tribe will continue to halt the vendor registration process and move onto the next highest scoring contractor until a contractor is successfully registered.

5. SELECTION OF VENDOR(S)

The Tribe will review all submitted SOQs on a per category basis and will select the best overall scoring contractor(s) on a per category basis. Contractors may be selected for none, single or multiple service categories. The Tribe may further split awards based on the categories scoring analyses previously stated on a per geographical location basis. Contractors may be selected for none, single or multiple locations on a per category basis.

Prior to the final selection, contractors(s) may be required to submit additional information which the Tribe may deem necessary to further evaluate the contractor(s)' responses. Although not anticipated, the Tribe may select some or none of the respondents for presentations or interviews.

The Tribe may opt to select zero or more contractors to qualify based on the contractor(s) responses to this solicitation as deemed relevant to the Tribe on the basis of qualifications, with or without further discussions, interviews, or visits.

If selected, contractor(s) will be pre-qualified and placed on an Approved Vendor List for the services outlined in this RFQ.

If selected, individual project assignments will be made to the pre-qualified contractors, in accordance with criteria determined to be in the best interest of the Tribe and generally considering a variety of factors including past performance, qualifications appropriate to the scope of services, and workload distribution.

The selected contractor(s) will be invited to participate in detailed scope, approach, schedule, and price negotiations for the contractor to perform services for specific project assignments. The Tribe reserves the right to terminate negotiations at any time, for any reason in their sole best interest. The assignment of work will be determined by the Tribe. Upon reaching an agreement, a contract to provide services for the individual project will be executed by both parties.

This solicitation and selection process shall in no way be deemed to create a binding contract, agreement or offer of any kind between the Tribe and any entity. If the Tribe selects a contractor to provide the services described in this solicitation, any legal right and obligations between the successful contractor, if any, and the Tribe will come into existence only when a contract is fully executed by the parties, and the legal rights and obligations of each party shall at that time be only those rights and obligations which are set forth in the agreement and any other documents specifically referred to in that contract and executed by the parties.

6. ADDITIONAL ITEMS AND SERVICES

The Tribe may require additional items or services of similar nature, but not specifically listed in this solicitation. The selected Contractor(s) agrees to provide such items or services and shall provide the Tribe prices on such additional items or services based upon a formula or method that is the same or similar to that used in establishing the fees as a result of this solicitation. If the fees offered are not acceptable to the Tribe, and the situation cannot be resolved to the satisfaction of the Tribe, the Tribe reserves the right to procure those items or services from others.

7. FRAUD AND MISREPRESENTATION

Any individual, corporation or other entity that attempts to fulfill the requirements of this solicitation through fraud, misrepresentation or material misstatement may be deemed non-responsible and such individual, corporation or other entity's qualification may be null and void.

8. CONFIDENTIALITY / NON-DISCLOSURE

Contractors(s) shall treat any information contained in this solicitation (or accumulated through other written or oral communication with the Tribe) as confidential information. Any information provided by the Tribe to contractors(s) in this solicitation is to be used solely to permit contractor(s) to reply to the solicitation and contractor(s) shall make no other use of the information, inclusive of sharing the information with corporate affiliates and subsidiaries without the prior written consent of the Tribe. Contractor(s) shall hold the information contained in this solicitation in strict confidence and the information obtained will not be disclosed to any third party, vendor affiliate or subsidiary, without the Tribe's prior written consent.

9. NON-EXCLUSIVITY

It is expressly understood that contractor selection does not grant the Contractor an exclusive privilege to provide the Tribe any or all of the goods and/or services that are the subject of this solicitation. The Tribe reserves the right as deemed in its best interest to perform, or cause to be performed, the provision of the goods and/or services, or any portion thereof, herein described in any manner it sees fit, including but not limited to award to multiple contractors, and contract with other contractor(s) for the provision of goods and/or services similar or identical to those that are the subject of this solicitation.
